Re : Warranty for Non-Inclusion of Hazardous Substances in Products

Dear Sir or Madam

Our company hereby warrants and guarantees that all of or part of products, including, but not limited to, the peripherals, accessories or packages, manufactured and / or delivered to your company (including your subsidiaries and affiliated company) directly or indirectly by our company (including our subsidiaries or affiliated companies) are free from any of the substances listed in your company's Technology Standard "SS-00259" or its subsequent revision, including the following substances.

< Substances Prohibited >

1. Cadmium and cadmium compounds,
2. PBB and PBDE (halogenated flame retardant),
3. Chlorinated paraffin,
4. Polychlorinated biphenyl (PCB),
5. Polychlorinated naphthalene,
6. Organic tin compounds (Tributyl tin and Triphenyl tin),
7. Asbestos, and
8. Azo compounds
